Medication Safety

Basic Proficiency in Medication Administration For ALS Technical Partner or Inpatient Paramedic Assessment

**You have been scheduled to complete the
Basic Proficiency in Medication Administration Assessment**

- **All ALS Technical Partners or Inpatient Paramedics.**
- This Assessment tool measures the knowledge and abilities necessary for Inpatient Paramedics or ALS Technical Partners to safely administer medications to a general population.
- An overall score of 80% is required for successful completion of the assessment and prior to administering medications to patients.
- If an overall score of 80% is not attained, opportunity to retake the assessment will be provided.
- Calculators may be utilized during the assessment.
